# Request for Proposal

First Nations Agricultural Association is looking for proposal submissions for the development of a value chain for finished beef products from the interior of the province to larger centers. This will involve meetings with all participants involved in the chain including producers, processors, transportation, wholesale and retail outlets.

You will need to develop these steps:

Identify interested farmers have them qualify for Hormone additive free beef program and Environmental Farm Program.

Identify qualified processors for program.

Meet with and identify potential markets

Look for economical transportation options

This project is expected to run about 12 months.

This project is from the ground up starting at square one with F/N farmers for more information or to submit your proposal please email [trevor@fnala.com](mailto:trevor@fnala.com)

Deadline for proposals Friday February 29<sup>th</sup> 2008

Regards,

FIRST NATIONS AGRICULTURAL LENDING ASSOCIATION
